Dear Secretary, Doroth

I call out to the other side of the world, I pay \$3 for a local long distance call, ^{and} 15¢ a minute, and for a local call they charge \$2.80. ~~It's 25¢ a minute~~ It's 25¢ a minute for an out of state long distance call. That's too much. The Global Tel Link is robbing us. That is the company that is being used out here in California. The cost is too much. I have a son ^{DOCKET FILE COPY ORIGINAL} and ~~need to stay~~ in contact with him.

I lived in poverty all my life under harsh circumstances. I don't have a lot of money. As a person that is poor I'm speaking for all ~~the~~ under privileged people. We need our phone call to be free. Or we can at least chop prices down to a few cents a min.

I'm having ~~a~~ problem with my girl. We can't talk as much as we need to. ~~We~~ We have these corrupt Babylon cops that were in ~~the~~ the news. ~~The~~ canteen is hard to come by. We don't have a voice for us.

~~We~~ We don't have good lawyers so we're taking bad deals in court. We can properly defend ourselves because we ~~can't~~ can't get on the phone ~~like~~ we should. We need to contact people out there.

Not being on the ~~free~~ phone violates our constitutional right to a fair and just trial.

My son is 4 years old he needs to ~~to~~ to know who his father is by hearing my voice. And the police ~~are~~ throw away our mail to ~~you~~ family and lawyers so we need free phone calls.

Yours

truly

Rebecca
